Dr. Harmon C. McAllister  
Research Director  
The Council for Tobacco Research-U.S.A., Inc.  
900 Third Avenue  
New York, NY 10022

Dear Dr. McAllister:

Thank you very much for your recent contribution in support of the 1991 FASEB meeting on Genetic Recombination and Genome Rearrangements. In this time of limited funding from the usual federal sources, your contribution will be very important in helping insure the success of this meeting. We are very appreciative of your help.

Sincerely yours,

Richard D. Kolodner  
Professor of Biological Chemistry  
and Molecular Pharmacology
